

## Pick Me Up

Tamar Braxton

It's just like vodka, like Remy  
Like liquor in my system  
When I need it, that sweetness  
Boy, you're the one I call, ooh  
You got that good love that drives me wild  
It's far beyond anything I've ever felt  
That's why I'm strung out, you got my mind  
Flying and flipping over you, boy all the time, ooh

You're my little pick me up  
Whenever I'm feeling down  
I don't need no other drug  
I got what I need right now  
La-da-da-dee, you're the party  
Sure know how to love somebody  
You're my little pick me up  
Whenever I'm feeling down

I can't hardly wait 'til I'm with you again (with you again)  
It's more than typical 'cause you are my best friend (you are my best friend  
)  
They be saying we be doing too much (too much)  
But I ain't complaining (I ain't complaining)  
I love spending time with you and boy, that'll never change  
They say I'm hopeless, I'm crazy  
Guess I'm so deep in love  
I'm foggy, I'm dewy  
I'll do anything for us  
Boy take me when I'm with my baby  
He's my pick me up  
He'll catch me cause I'm ready to fall

You're my little pick me up  
Whenever I'm feeling down (Whenever I'm feeling down)  
I don't need no other drug  
I got what I need right now (la-da-da-dee)  
La-da-da-dee, you're the party  
Sure know how to love somebody  
You're my little pick me up (baby)  
Whenever I'm feeling down
