Head up in the stars make him wanna come come  
Come flying to my love like the bullet out the gun  
Take control of my body  
Boy come and get you some

And I ain't smoke a bit  
All I know is that I'm rocking it

Boy you got that teasah  
You ain't finna leave her

That loving it  
Taste just like sugar, sweetie
