

# Thank You Lord

Tamar Braxton

I gave my heart many times before  
I've been used, and lied to  
I thought it'd never change  
Till I got on my knees and I prayed  
Crying please take this pain away  
Oh lord I need you in my life  
You came and made everything right

And I think where would I be if I didn't have you by my side  
I'm so blessed  
And all I can say is thank you lord  
Thank you lord thank you thank you lord

Temptation, sadness - I've been through it all  
I've lost friends, thinking they would always be here when I call  
So I get on my knees and I pray  
Crying please take this pain away  
Cause lord I need you in my life  
You came and you made everything right

And I say where would I be if I didn't have you by my side  
I'm so blessed  
And all I can say is thank you for all of your blessings  
You're keeping me safe in your arms  
Even when I know I don't deserve it  
You're always there to catch me when I fall

Where would I be if I didn't have you by my side  
I'm so blessed  
Where would I be if I didn't have you by my side  
I'm so blessed  
And all I can say is (Thank you Lord) thank you Lord  
(Thank you Lord) Thank you  
(Thank you Lord)  
I just wanna say thank you  
Thank you lord
