Said the voice from afar, Don't you know it doesn't have to be so hard? Waiting for everyone else around to argee, might take too long When it won't be so hard, (it won't be so hard) Well it's true, yes, but you wont't get far telling me that you are all you're meant to be, when the one from my dream is sitting right next to me and I don't know what to do Oh alter ego. Get them to love you, while the may depending on your words and wealth, the only one who's really judging you is yourself. Nobodyy else. If I could part, it wouldn't be so hard. Well it's true yes, but you won't get far telling me that you are all you're meant to be when the one from my dream is sitting right next to me and I don't know what to do. Oh alter ego.
