

## Music to Walk Home By

Tame Impala

But that's only when I think of you,  
Some vision that I hold on to,  
You know it's everything I do,  
You know it's everything I do

Can almost stand competing with the others  
Can almost hear the fun that I should be having  
Instead of all this dreaming

But it's only when I think of you,  
The mover I could turn into,  
There must be something I can do,  
There must be something I can do

But I just don't know  
How to feel right,  
A beautiful girl  
Is wasting my life,  
I'm playing a part  
As somebody else,  
While trying so hard  
To be myself  
I just need to hear  
Somebody say,  
That this will make sense one day  
I guess I'm alright  
But they're all doing so well,  
What I would give  
To be under that spell

You'll know soon, you'll know soon  
You'll know soon, you'll know soon  
You'll know soon, you'll know soon, yeah  
Yeah-yeah-yeah, yeah-yeah-yeah

In so many ways  
I'm somebody else  
I'm trying so hard  
To be myself.  
I just need to hear  
Somebody say  
That this will all make  
Sense one day

Well it's getting late  
I'd better go  
I made it this far  
As far as I know
