

# Nothing That Has Happened So Far Has Been Anything We Could Control

Tame Impala

Nothing that has happened so far has  
Been anything we could control.  
I have just been waiting for the perfect  
Time to tell you I don't know.  
Maybe I'm just reading into it a  
Little deeper than I should  
We would make it easy we would take  
It slowly if only we could

"Hey, what are you doing out here?  
You're thinking about everything, aren't you?  
I know it's crazy, but just don't think of it like that  
Nothing has to mean anything  
Come on, come back inside"

Elodie,  
Look at me,  
Unless you're trying to hurt me  
Heavy blow,  
Down I go  
Now I just want to let go

Is it right?  
Is it wrong?  
I don't know,  
It's not the cause I'm fighting for  
Anymore  
But it sucks to keep on running  
Eventually,  
There will be  
A time for clearer thinking  
For now I weep  
Can't get to sleep  
I try to hold a good feeling  
I just get one,  
Here it comes,  
There it goes,  
And we just might,  
Lose the fight, yeah  
But it's alright  
It wasn't our decision

Nothing that has happened so far  
Has been anything we could control  
I have just been waiting for the perfect  
Time to tell you that I don't know  
Every man is happy until  
Happiness is suddenly a goal  
I'll just be here waiting till the  
Doctor calls and then I'll let you know
