

Father Can You Hear Me

Tamela Mann

Father can you hear me
We need your love today
I know that you are listening
You hear me everyday
Father please hear us
And we will be OK
Father we need you to heal families today

Father can you hear me
I'm calling on your name
Not Buddha nor Muhammad
But it's Jesus we cry out loud
Father just forgive us
Hear us when we say
We'll give ya, give ya, give you everything our lives and souls today

Father you know we need it
I've never seen so much pain
We have the faith for now
Your victory we will gain
Father you know we mean it
There's no more heart of stone
Were ready for your power
Now the sin is gone

Father
Can you hear me now

He will say

He will say yes
yes, yes, yes, yes

say yes lord
yes, yes

yes to your will Jesus, yes to your will
yes, yes

come on say yes
yes, yes, yes, yes

say yes
yes, yes

come on raise your hand an say yes
yes, yes

Ooh Lord can you heal even me lord
See I'm coming to you lord just as I am
I'm in need of the blood of the lamb
Oh my heart, oh my soul say yes

[Ad lib and the choir: continues with "yes, yes"]
