

## In Your Corner

Tamela Mann

There's a time has come for you to realize  
that you can trust me, 'cause you know I will provide.  
I'll never leave you, I'll never leave you alone,  
that's why my child you must hold on

I'm in your corner (yeah yeah)  
I hear you when ya call (hear you when)  
I'm in your corner (and I catch you when)  
Catch you when you fall (yeah yeah)  
I'm in your corner (Oh yes I will)  
See you through it all (I'm in your corner)  
I'm in your corner through it all

Oh my child, I heard you when you called  
and though you fell, I was there through it all.  
Tests and trials come to make you strong  
That's why my child, you must hold on

I'm in your corner (yeah yeah I will be there)  
Hear you when you call (hear you when)  
I'm in your corner (and I catch you when)  
Catch you when you fall (yes I will)  
I'm in your corner (I will be there)  
See you through it all (hold on)  
I'm in your corner through it all (oooo I will)

I hear you everytime you call (everytime you call) (and I will  
be there)  
Be there to catch you when you fall (catch you when you fall)  
I'll be there to see you through it all  
On my name you just have to call

[repeat chorus]
