

Rain

Tamela Mann

Let it rain down
Pour down, let it fall fresh on me
Holy spirt, like the morning dew
Fall fresh and new, I need your spirt lord
Let it rain down, let it pour down
Let it fall fresh on me holy spirt
Open the heavens door, pour out an aboundance rain
I need a cleansing lord

Let it rain down
Pour down, let it fall fresh on me
Holy spirt
Let it rain
Let it pour

Fall on me, on me, on me
Fall fresh on me
Let it fall fresh on me [x2]
