

You Deserve My Praise

Tamela Mann

For all that U have done, you deserve my praise
Victories you have won, you deserve my praise
Because I am free, you deserve my praise
For blessing me lord, you deserve my praise

When I think of the goodness of Jesus and all he has done
My soul cries hallelujah! Lord you are the one that deserves my
praise [vamp]
For protecting me, you deserve my praise, for watching over me
lord, you deserve my praise
For healing my body, you deserve my praise, for keeping me lord
, you deserve my praise
Back to vamp
I lift my hands open my mouth
I'll bless your name you deserve my praise
