

# You Deserve My Praise

**Tamela Mann**

For all that U have done, you deserve my praise  
Victories you have won, you deserve my praise  
Because I am free, you deserve my praise  
For blessing me lord, you deserve my praise

When I think of the goodness of Jesus and all he has done  
My soul cries hallelujah! Lord you are the one that deserves my  
praise [vamp]  
For protecting me, you deserve my praise, for watching over me  
lord, you deserve my praise  
For healing my body, you deserve my praise, for keeping me lord  
, you deserve my praise  
Back to vamp  
I lift my hands open my mouth  
I'll bless your name you deserve my praise
