

# Beautiful Surprise

Tamia

For the first time in my life  
I just might be tongue tied  
For me to wake up with you kissing me  
Saying you've been missing me  
What a beautiful surprise

Cause I wasn't expecting you till late tonight  
No, and I didn't hear you come inside  
But there's nothing in this world that I want more  
Than to have my baby back in my arms

All I can say is  
Oh, ah so happy that I could cry  
What a beautiful surprise  
Oh, ah my man is back by my side  
What a beautiful surprise

I ain't that easy to shock  
But it looks like you hit the spot  
For me to wake up with you holding me  
And telling me you're loving me  
You've got my heart on lock

Yeah  
Cause I wasn't expecting you till late tonight  
No, and I didn't hear you come inside  
But there's nothing in this world that I want more  
Than to have my baby back in my arms

All I can say is  
Oh, ah so happy that I could cry  
What a beautiful surprise  
Oh, ah my man is back by my side  
What a beautiful surprise

I was needing you so bad  
How did you know  
It feels like I'm dreaming  
My mind explodes  
For you to be the first thing that I see when I open my eyes  
Such a beautiful, beautiful, beautiful surprise

Oh, ah so happy that I could cry  
What a beautiful surprise  
Oh, ah my man is back by my side  
What a beautiful surprise

Oh, ah so happy that I could cry  
What a beautiful surprise  
Oh, ah my man is back by my side  
What a beautiful surprise

Beautiful... yeah... yeah... yeah...  
A beautiful surprise, yeah... yeah... yeah...  
A beautiful surprise, yeah... yeah... yeah...  
A beautiful surprise, yeah... yeah... yeah...  
Yeah.... Yeah.....
