Careless Whisper

Time can never mend The careless whisper of a good friend To the heart and mind Ignorance is kind There's no comfort in the truth Pain is all you'll find

I feel so unsure As you take my hand and lead me to the dance floor As the music dies Something in your eyes Calls to mind a silver screen And you're its sad goodbye

I'm never gonna dance again Guilty feet have got no rhythm Though it's easy to pretend I know you're not a fool Should have known better that to cheat a friend And waste the chance that I've been given So I'm never gonna dance again The way I dance with you, oh

Time can never mend The careless whisper of a good friend To the heart and mind Ignorance is kind There's no comfort in the truth Pain is all you'll find

Tonight the music seems so loud I wish that we could lose this crowd Maybe it's better this way If we'd hurt each other with the things We want to say We could have been so good together We could have lived this dance forever Now who's gonna dance with me Please dance Tamia
