

# Falling For You

Tamia

Could I be falling for you  
Is this a fantasy come true  
Is this a dream that I've waited for  
Am I the one that you adore

Whoa, whoa  
I think I'm falling for you  
Whoa, whoa, whoa  
What am I supposed to do  
'Cause you make me feel  
Like I'm falling in love (am I falling for you)

Could it be love Tell me boy  
Is it true, I get a rush when I think about you

Lose Control From my body and my soul  
And when you hold me I don't want to let go  
(You give me reason) you give me reason  
Every reason just to Love you babe (babe)  
Everything that you do Is so amazing  
I can't believe what Your body makes me wanna do  
I'm having visions Of me all over you

Whoa, whoa  
I think I'm falling for you  
Whoa, whoa, whoa  
What am I supposed to do  
'Cause you make me feel  
Like I'm falling in love (am I falling for you)

You must have known though I try to disguise  
The way I feel was there fire in my eye  
On that night when our bodies intertwined  
I knew right there and then that you will be mine

Could I be falling for you  
Is this a fantasy come true  
Is this a dream that I've waited for  
Am I the one that you adore (adore, tell me)

Whoa, whoa  
I think I'm falling for you  
Whoa, whoa, whoa  
What am I supposed to do  
'Cause you make me feel  
Like I'm falling in love (am I falling for you)

Whoa, whoa  
I think I'm falling for you (falling for you)  
Whoa, whoa, whoa,  
What am I supposed to do (what am I supposed to do)  
'Cause you make me feel  
Like I'm falling for you (falling for you)

Every day  
You seem to find a way to make me go crazy  
I just can't understand but let me tell you one thing

You make me wanna sing

Whoa, whoa

I think I'm falling for you

Whoa, whoa, whoa

What am I supposed to do

'Cause you make me feel

Like I'm falling in love (am I falling for you)
