

Is It Over Yet

Tamia

Tell me when I can open my eyes
I don't want to watch you walk out that door
There's no easy way to get through goodbye
I'd probably try and talk you into staying once more
Or I'd lie and say it's all for the best
Wish you luck and say I have no regrets
But I'm not up to being strong
So I'll wait until you're gone
Is it over yet, is it over yet?
A taxi's waiting in the driveway for you
You call my name, I guess your ready to leave
I'd like to help you with a suitcase or two
But I'm afraid I'm gonna wind up down on my knees
I should tell you that I want you to go
I really need to spend some time on my own
Smile and say goodbye
So you don't see me dying inside
Is it over yet, is it over yet?
I should lie and say it's all for the best
Wish you luck and say I have no regrets
But I'm not up to being strong
So I'll wait until your gone
Is it over yet, is it over yet?
