Mmm yeah Tell me that you like it Oh yeah, yeah (Woo, let's see if you remember this one) Oh, now I have to go there Oohh Mmm yeah Let me show you just how much I know this record You know you had me With your sensuous charm You looked so alarmed As I walked on by And oh some wonder You had to know why I did not respond To carry on Love me in a special way What more can I say? Love me now Love me in a special way What more can I say? Love me now Love me now Cuz I'm special Not the average kind Who'd accept any line That sounds good So reach into your chain of thoughts Try to find something new What worked so well for you before For me, it just won't do, no Love me in a special way What more can I say? Love me now Love me in a special way What more can I say? Love me now Ooh ooh Oh yeah yeah Mmm hmm So reach into your chain of thoughts Try to find something new Cuz what worked so well for you before For me, it just won't do, no no Love me in a special way What more can I say? Love me now Love me in a special way

What more can I say?

Love me now

Love me in a special way What more can I say?
Love me now
Love me in a special way What more can I say?
Love me now

Love me in a special way Love me everyday What more can I say? Just love me now
