Tamia

I loved you,  
Baby all I need  
To think about  
You (more) baby all I need is more time and more mind

Just another  
Your loving,  
Life if my heart  
Kissing, Give me a  
Reason, to make me want to stay want to go back to the day I lo  
ved you,

Is,  
Thinking of  
You (more) baby all I need is more time and more mind

Don't make me twist your arm to stay a little me will be okay,  
Walk out the door,  
To be by my  
Mind, Give me your  
Life, Give me  
Me want to stay  
Want to go back to the day I loved you,

Look, Now you got your gucci groupies, good girls too, And your  
,  
Strong man, She  
Dude will, Trust  
Better treat her  
She shine like  
Road, You on her  
Jacob,  
What you had in  
Me, Now some other guy, Will be holding me Tonight, Tonight  
  
You
