

Who Do You Tell

Tamia

There You Were In A Crowded Room
With Someone At Least I Assume
How Did I Know I Would Fall In Love
With You...
So Soon...
Just One Look In You Eyes And I See The Truth
And I Try Hard To Hide That I'm Made For You
But I Know Deep Inside Things That We Could Do
Just As Long As Were Together... Oh..

But, Who Do You Tell When You Love Someone
Hoping That Someone's In Love With You
But, Who Do You Tell When You Love Someone
I Think I Might As Well Tell You

I Can't Believe That I Feel This Way
There Is So Much That I Want To Say
I Wan't To
(Touch You) Hold You
(Feel You) Please You
As Were Making Love All Through The Night
We Would Talk To Each Other
We Would Laugh And Play
We Would Play This Forever Every Night And Day
We Would Share Every Memory 'Till The End Of Time
(In My Mind) In My Mind Baby.. Oh..

Oh I've Hesitated Much Too Many Times
And I Won't Let You Step Away From Me.. No..
I Know Your'e For Me And Me For You
(Ooh) But I Don't Know What To Say Or Do..
So Now That Were Together I'm Telling You..

I Think I Might As Well...
Tell You...
