## I Cry

**Tammy Cochran** 

I don't miss you like I used to. I pulled your pictures from the wall. I go just where and when I want to. I'm better off now all in all. My heart ain't breakin'it's through aching and I'm movin' on. But I cry a little bit everyday at least one teardrop falls it doesn't matter rain or shine I try to leave it all behind I swear that I'm alr ight but in the middle of the night I cry. I used to hear your voice calling you'd never let me go to slee p. You always got your way now darling. You won't get the best of me any longer, I'm stronger, I'm free But I cry a little bit everyday at least one teardrop falls it doesn't matter rain or shine I try to leave it all behind I swear that I'm alr ight but in the middle of the night I cry. Still I cry a little bit everyday at least one teardrop falls i

t doesn't matter rain or shine I try to leave it all behind I swear that I'm alr ight but in the middle of the night I cry, I cry.
