

## Grouchy Hearted Woman

Tampa Red

I never been so worried  
So bothered in my life befo'  
I never been so worried  
So bothered in my life befo'  
And if I just make it over  
I won't be back, no mo'  
My grouchy hearted, mama  
She's evil as a gal can be  
Oh yeah, now, my grouchy hearted, mama  
She's evil as a gal can be  
The more I try to love 'er  
The less she seem to care for me  
I don't mind her laughin'  
I love to see her have her fun  
I don't mind her laughin'  
I love to see her have her fun  
But when it come to loving  
I don't want her to give 'way none  
Oh, play it Mr. so and so  
You know what I'm talkin' bout  
Oh yes, drink up another pint there, ladies and gentlemen  
I'm 'on get drunk and pitch me, a play a boogie woogie  
You know what I'm talkin' 'bout  
I ain't gon' cheat nobody, though  
Remember, if you always be a good fella  
You'll die one, that right, oh yeah  
Now, my grouchy hearted, mama  
Got somethin' like a sting a ree  
Do you know what I'm talkin' about?  
Ha, ha  
Now, my grouchy hearted, mama  
Got somethin' like a sting a ree  
You know it's tough man, too  
I believe to my soul, she done put that thing on me  
Now, she's little, low an squatty  
She's built right down on the ground  
(A little cute devil)  
She's little, low an squatty  
She's built right down on the ground  
Ev'rytime she kiss me  
My love come tumblin' down  
Can't help it none
