

# I'm So Disappointed In You

Tampa Red

I'm so disappointed, baby in you  
For I once thought your little heart was true  
But when I asked you for love you failed to give me bliss  
But darling, we can't go on like this

Then after all is said and done  
I've seen I'm not the lucky one  
But I'm so disappointed, baby in you  
Yes, I'm so disappointed, baby in you

For you're not doing as you promised to  
You said you would be true  
But I found it just a boo  
For you're doing just as others want you to

Then after all of my love is keen  
It's still blank to me it seems  
But I'm so disappointed, baby in you  
Play that thing

Yes, I'm so disappointed, baby in you  
For I just cannot stand the way you do  
You are breaking my heart each day just to pass the time away  
But darling don't you know that ain't the play

Now I thought it was sweet romance  
But now I see I didn't have a chance  
But I'm so disappointed, baby in you
