

I'm So Disappointed In You

Tampa Red

I'm so disappointed, baby in you
For I once thought your little heart was true
But when I asked you for love you failed to give me bliss
But darling, we can't go on like this

Then after all is said and done
I've seen I'm not the lucky one
But I'm so disappointed, baby in you
Yes, I'm so disappointed, baby in you

For you're not doing as you promised to
You said you would be true
But I found it just a boo
For you're doing just as others want you to

Then after all of my love is keen
It's still blank to me it seems
But I'm so disappointed, baby in you
Play that thing

Yes, I'm so disappointed, baby in you
For I just cannot stand the way you do
You are breaking my heart each day just to pass the time away
But darling don't you know that ain't the play

Now I thought it was sweet romance
But now I see I didn't have a chance
But I'm so disappointed, baby in you
