

Oh Babe Oh Baby

Tampa Red

I know, baby, what you're trying to do
You can't love me and my buddy too
Oh babe, my babe, oh baby
If I had-a known like I know now
I wouldn't have been tied up with ya no how
Oh babe, my babe, oh baby
It's funny, oh my honey
How we had to start
I wasn't thinkin' but you were thinkin'
How to break my heart
The way seem hard but I guess it's fair
I had a good home and I wouldn't stay there
Oh babe, oh babe, my babe
Yes, swing now
I hear ya, Mr. Piano Player
Ha, ha, dog, yeah
That's it, I'm gon' do it again for ya, everybody
Ha, ha
If you lose your head
You know what goes with it finally
Look at that sax man
Ha, ha, yes, uh, huh
Oh, I know, baby, what you trying to do
You can't love me and my buddy too
Oh babe, oh babe, my baby
If I had-a known like I know now
I wouldn't have been tied up with ya no how
Oh babe, oh babe, my baby
It's funny, oh my honey
How we had to start
I wasn't thinkin', you was thinkin'
How to break my heart
The way seem hard but I guess it's fair
