

Right Or Wrong

Tampa Red

You ain't the gal you used to be
I wouldn't mind being a beggar
You used to mean so much to me
I'll slave for you

You had me blind but now I see
So, say you're mine
I know you been cheatin' on me
Tell me that you love me too

So, get your d's and dosey's too
And did you know, darlin'?
Be on your way, I'm through with you
Down in my heart

I can't stand the way you do
I keep a sayin' a little prayer for you
I know you been cheatin' on me
So give me your time

To prove a little thing or two
As good as I've been to you

You let the devil fool you
Although I know you don't believe me
Hurray and Hallelujah, but I'm easy, too
You know you had it comin' to ya
I never cared for no, oh, oh, one

The way I care for you
Though there is nothing to confess

I have seen enough to know the rest
Right or wrong, what I'm doin' in for the best
I'll always cling to you
I know you been a cheatin' on me
So, say you're mine

Tell me that you love me, too
Get it, now

Yeah
You ain't the gal you used to be

You used to mean so much to me
Although I know you don't believe me
You had me blind but now I see, but I'm easy, too
I know you been a cheatin' on me
I never cared for no one the way I care for you

So, get your d's and your dosey's, too
Be on your way, I'm through with you
Right or wrong, I'll always cling to you
I can't stand the way you do

So say you're mine, tell me
I know you been a cheatin' on me

Baby, that you love me, love me, too

As good as I been to you
You let the devil fool you
Hurray and Hallelujah
You know you had it comin' to
Get it here
