

## Stormy Sea Blues

Tampa Red

Rainin' on the ocean  
Stormin' on the sea  
Rainin' on the ocean  
And it's stormin' on the sea  
Blues in that shower  
Is showering down on me

Come back, baby  
Won't be bad, no more  
Come back baby, woo-ooo  
Won't be bad no more  
I'll sing on my knees  
An I'll follow anywhere you go

Mean ol' fireman, good old engineer  
Mean old fireman, woo-ooo, good old engineer  
They took my baby 'way  
And left me standin' here.
