Everybody Hurts

Tangerine Dream

When your day is long and the night, the night is yours alone, When you're sure you've had enough of this life, well hang on Don't let yourself go, 'cause everybody cries n everybody hurts sometimes

Sometimes everything is wrong. Now it's time to sing along When your day is night alone, (hold on, hold on)

If you feel like letting go, (hold on)

If you think you've had too much of this life, well hang on

'Cause everybody hurts. Take comfort in your friends Everybody hurts. Don't throw your hand. Oh, no. Don't throw you r hand

If you feel like you're alone, no, no, you are not alone

If you're on your own in this life, the days and nights are lon g,

When you think you've had too much of this life so hang on

Well, everybody hurts sometimes, Everybody cries. And everybody hurts sometimes And everybody hurts sometimes. So, hold on, hold on Hold on, hold on, hold on, hold on, hold on Everybody hurts. You are not alone
