

## I Like This

Tanita Tikaram

Share our coffee share my thoughts I could wait for years  
I don't know if you're an angel or I'm just feeling weird  
I like this picture but I don't want to work too hard and I ask  
you for a number  
You say "hey, baby if I'm an angel maybe you should take my car  
d"

Baby I got time for you but can you thrill me? really thrill me  
Baby I got time for you but can you thrill me? really thrill me

I'm not silence into hiding I want the words you say  
And if it seems we take the same, well...when I feel lucky, I f  
eel lucky

Baby I got time for you, yeah if you do me, really do me  
Baby I got time for you, yeah if you show me, really show me

Oh, well, I like this one  
Oh, yeah, well I like this one  
I-I-I like this one  
Yeah, yeah, I like this one yeah
