

I Like This

Tanita Tikaram

Share our coffee share my thoughts I could wait for years
I don't know if you're an angel or I'm just feeling weird
I like this picture but I don't want to work too hard and I ask
you for a number
You say "hey, baby if I'm an angel maybe you should take my car
d"

Baby I got time for you but can you thrill me? really thrill me
Baby I got time for you but can you thrill me? really thrill me

I'm not silent into hiding I want the words you say
And if it seems we take the same, well...when I feel lucky, I f
eel lucky

Baby I got time for you, yeah if you do me, really do me
Baby I got time for you, yeah if you show me, really show me

Oh, well, I like this one
Oh, yeah, well I like this one
I-I-I like this one
Yeah, yeah, I like this one yeah
