

## Sighing Innocents

Tanita Tikaram

Give me a stand  
A standing ovation, baby  
Give me a road  
Which I can tail  
You don't know nothing, baby  
So don't pretend  
Or you might pay  
Cost  
It's costing me nothing, baby  
I might feel some shame  
But I don't care

And if you won't mind  
Just moving the fireside, baby  
I'd rather be cold  
Than lying over there

No, this ain't sighing innocents  
This ain't sighing innocents  
No this ain't sighing innocents  
I'm just trying to follow you

And if you walk  
I might just tag along  
It only be shop talk, some  
Well that's something to do

Or I might take a walk down  
By the river, baby  
But no I won't  
No I won't be waiting for you

No, this ain't sighing innocents  
This ain't sighing innocents  
No this ain't sighing innocents  
I'm just trying to follow you

Sorry but sense  
That (no one will miss you)  
That no one will miss you  
If you die

They might send a wreath  
They might send a reason  
They might send a reason  
But us, we know

Join in the sus  
It's always the same man  
He's taking a stroll  
And then they tie him to his ghost  
I know it's sad

But you never listen  
No, you never listen  
You just drive home
