

Crazy Horses

Tank

There's a message floatin' in the air
Comes from, crazy horses ridin' everywhere
It's a warning, it's in every tongue
Gotta stop them crazy horses on the run
What a show, there they go smokin' up the sky, yeah
Crazy horses all got riders, and they're you and I
Crazy horses , crazy horses, crazy horses
Never stop and they never die
They just keep on puffin' how they multiply
Crazy horses, will they never halt?
If they keep on movin' then it's all our fault
So take a good look around,
See what they've done, see what they've done...
They've done, they've done, they've done, they've done...
Crazy horses, crazy horses, crazy horses...
