

Let Start A Family

Tank

So it seem that we have been going own saprate
way

I just think this time around we should start a family
you are the only one who right for me.

Now we done been throw our up and down and I can't take
it not having you around

I miss the the way when you walk into the door
how you just take control of all that is around.

I ready miss the way you smile
the way you hold me

said I just love the way you put it down
you know you have the key to my heart
just need sometime to make sure all thing's are work out.
back chrous:same as top

There not Season that I don't think of you

Tell if I'm moving to fast

could you know what to do

Here and now and this is what I want to do.option,
