

Lost

Tank

I'm Trying To Remember, What You're Trying To Forget
The Days I Left You Crying Are The Days I Most Regret
I Can't Believe We're Still In Love After All These Years
So What We Have Is Strong Enough
To Last Through All The Tears... Of Love

A Dream Can't Last Forever, And This One's Not Over Yet
There's No Use Of Us Denying Of What We Felt When We
First Met
I Can't Believe, We're Still In Love After All These
Years
So What We Have Is Strong Enough
To Last Through All The Tears... Of Love

I Would Be On My Own, So Lost
Without Her, Without Your Love
Lost Without Love...
