

# My Insanity

Tank

Hollow cheeks and ice cold eyes  
A hero lives but he's dead inside  
The across he bares  
Wounds and scars  
Wild-eyed stare but he don't look back.

Soldier of fortune mistress of pain  
Stares at the ground through the mist and the rain  
Looks like someone we should know  
Come so far but there's a long way to go.

You can't see his world from here  
Can't see the world.

This is my insanity  
I stare at nothing at all.

Lying here I cannot move  
Gone are the days I had something to prove  
I hear them talk I can't reply  
All I want is just to breakdown and cry.

Locked in this prison locked in this hell  
Praying to God to get my life back again  
Look like someone you once knew  
Wish I could but I just can't break through.

You can't see his world from there  
You can't see my world.  
This is my insanity  
I'm such a long way gone. I, so alone  
I'm such a long way gone, Lost in this world  
My cruel world.
