

Off Your Hands

Tank

Excuse me,
I don't really mean to be rude, see,
But you kinda treat her like a groupie
But I'm gonna make her feel like a star,
Ooh!
You're choosin'
But you don't realize what you're losin'
Imma put her up with some new shit,
Will you follow me to the bar?

She can stay with you
All night long,
But she's giving me the eye.
Sleep with you
All night long.
But she wish it was I, I
I can tell you: think your way to fly

So let me take that off your hands
Cause I'm gonna do something wit' it
I got it, but you just don't get it
I do!
Let me take that off your hands.
Cause you got her over there, waitin'
Lookin like she needs some savin'
Thum-ta-da-da!
If I take it off your hands,
Don't expect a phone call
She's ridin' and she's long gone,
You ain't trippin' at all
So let me take that off your hands
Since you don't appreciate her,
I'mma just please her later
Playa
Let me take that off your hands.

She's already feelin' brand new
You ain't never really had a clue
How to make her show that freaky side to you
I'll be
Rubbing all over her body
Later on you'll know where I'll be
I'll be...

She can stay with you
All night long,
But she's giving me the eye.
Sleep with you
All night long.
But she was sure it was I
I can tell you: think your way to fly

So let me take that off your hands
Cause I'm gonna do something wit' it
I got it, but you just don't get it
I do!
Let me take that off your hands.

Cause you got her over there, waitin'
Lookin like she needs some savin'
Thum-ta-da-da!
If I take it off your hands,
Don't expect a phone call
She's ridin' and she's long gone,
You ain't trippin' at all
So let me take that off your hands
Since you don't appreciate her,

Playa

We gone have the best sex ever,
Let her roll with me,
I can give her what she needs.
We gone have the best sex ever,
I'm gonna give her what she likes,
Even if it takes all night.

So let me take that off your hands
Cause I'm gonna do something weird
I got it, but you just don't get it
I do!
Let me take that off your hands.
Cause you got her over there, waitin'
Lookin like she needs some savin'
Thum-ta-da-da!
If I take it off your hands,
