Scream

Look me in eyes, while I'll make love to you girl I wanna see your face I wanna know you feel it And I won't be suprised because I know I feel it too girl And I ain't into keeping secrects anymore

'Cause I already know you love it babe, sometimes
I just wanna hear you say it... {yeaahh}
I want you to tell me just how good it feels tonight

Scream when your fed up
Scream when your sick and tired baby
Scream when you packed your bags and you walked up out the door {so let me h
ear you now}
Scream cause it feels good
Scream girl cause were making love like crazy
Scream when your calling my name out and you beggin me for more
Let me hear {ah ah ah ah ah ah ah ah}
Let me hear {ah ah ah ah ah ah ah ah ah ah ah

Tell me that it's mine Tell me you'll do it again I wanna hear it right now baby Make it up to daddy, cause you been a bad girl, yeah Tell me I'm a man, tell me baby yeah it's all yours That's what I need to hear right now from you girl

'Cause I already know you love it babe
{But sometimes just wanna hear you say it, yeah}
I want you to tell me just how good it feels tonight

Scream when your fed up Scream when your sick and tired baby Scream when you packed your bags and you walked up out the door {so let me h ear you now}

Scream 'cause it feels good
Scream girl 'cause were making love like crazy
Scream when your calling my name out and you beggin me for more
Let me hear {ah ah ah ah ah ah ah ah}
Let me hear {ah ah ah ah ah ah ah ah ah}
Let me hear

Scream 'cause our love's so right Scream while I love ya all night Scream while I hold your body tight Go head let me hear ya

Scream 'cause you know it's on now Scream till the tears fall down Scream till you let me have my way Let me hear

Scream when your fed up Scream when your sick and tired baby Scream when you packed your bags and you walked up out the door {so let me h ear you now} Scream cause it feels good Scream girl cause were makin love like crazy

Tank

Scream when your callin my name out and you beggin me for more Let me hear {ah ah ah oh let me hear ah ah ah} Oh let me hear {ah ah ah ah} Let me hear
