Sex Music

If you sexy and you know it And you sexy and you show it Lemme see you get your hands in the air If you sexy and you know it And you sexy and you show it Wave your hands like you just don't care

We don't need no clothes for this They be on the floor for this All up on the pole for this Dropping down low for this All up on the side with this All between her thighs with this Imagine how she ride with this Wait 'til I'm inside with this oh, oh

I know it's turning you on, on Didn't think it take us this long, long To have our bodies going crazy to the beat of this song, oh

We get it on, ah ah all night long To this sex music, sex music Don't stop, that's it, right there, that's my shit To this sex music, sex music

We got plenty time for this All that's on my mind with this All day on the grind for this I'ma make you mine to this 'Tron and a lime with this Hope you get right to this 'Gon and close your eyes to this

Love the way you bite your nipple

I know it's turning you on, on Didn't think it take us this long, long To have our bodies going crazy to the beat of this song, oh no

We get it on, ah ah all night long To this sex music, sex music Don't stop, that's it, right there, that's my shit To this sex music, sex music

Gurl I love your birthday suit Sho' looks good on you I just wanna lick you from head to toe I'ma having you screaming oh, oh Baby take this ride, Got me gased up all night Push the petal down to the flo' We got sex music on the radio

We get it on, ah ah all night long To this sex music, sex music Don't stop, that's it, right there, that's my shit To this sex music, sex music Sex, sex, sex music (oh oh oh)
Sex, sex, sex music (oh, ah, oh)
