

The Last Laugh

Tank

You say I bring darkness I know I bring light
You tell me I'm living a lie
No wonder your world is so upside down
You can't get your feet off the ground.

And I know what you thinking
But it don't mean that much to me
Yes I know where you're coming from
Your eyes are still too blind to see.

Live it love it! We live for Rock 'n' Roll
Live it love it! Don't believe a word
Live it love it! We live for Rock' n' Roll
Live it love it.

You say that you won't then you say that you will
And now you're so lost in your past
There is no one to tell you what you need to hear
Believe me I'll have the last laugh.

I don't care what you think of me you're nothing at all
If you want to play games with me
Just hold on I'm coming round.

Live it love it! We live for Rock 'n' Roll
Live it love it! Don't believe a word
Live it love it! We live for Rock' n' Roll
Live it love it.

Now that your battle is over and lost
Your tears fall across your dry eyes
The hour glass is smashed and time standing still
Still you are caught in the past.

I don't care what you think of me your nothing at all
If you want to play games with me
Just hold on I'm coming round.

Live it love it! We live for Rock 'n' Roll
Live it love it! Don't believe a word
Live it love it! We live for Rock' n' Roll
Live it love it.
