

Who Needs Love Songs

Tank

I'm putting my heart and soul into a song and I know that it won't belong
A sound real clever, to numb someone to listen up to what I've done
I tried and tried but it's still the same it's still the illusion, the same old game
No matter what I do, it still comes back to you
Do you think I'm stupid or what? Last night someone broke my heart and it kicked me in the guts
Who needs love songs? Who needs love songs? Who needs love songs? I do!
I'm putting my heart and soul into a song and I know that it won't belong
A sound real clever, to numb someone to listen up to what I've done
I tried and tried but it's still the same it's still the illusion, the same old game
No matter what I do, it still comes back to you
Do you think I'm stupid or what?
Last night someone broke my heart and it put me in the ruts
Who needs love songs? Who needs love songs? Who needs love songs? Who needs love songs?
Who needs love songs? Who needs love songs? I do!
