

Beck's in the City

Tankard

She is a Metal fan
Long hair, tattoos and piercings
She has a lot of friends
And parties in the evenings

But she's a lonely girl
No one who really loves her
Dreaming of a perfect world
With a boy who's never sober

Taking part in short meetings
For Heavy Metal skunks
One can find there someone special
Loudness-proof, deaf hardcore punks

SPEED METAL DATING!
COME IN AND FREE YOUR MIND
LOOKING FOR THE REAL THING?
MATCHMAKING FOR FREAKS
BECK'S IN THE CITY!
WHERE MEN AND WOMEN BANG ALIKE
BECK'S IN THE CITY!
YOU'LL FIND WHAT YOU SEE

Ha has stinking feet
Long hair, beer belly and bad breath
Trains his neck 'til it bleeds
Hangin' out with his friends to band heads

She meets him, he meets her
Split-second fast decision
Romance lies in the air
Fulfils their filthy visions

Taking part in short meetings
For Heavy Metal skunks
One can find there someone special
Loudness-proof, deaf hardcore punks
