

Endless Pleasure

Tankard

My head is light
Relieved of all the pressure
No need to fight
'Cause life is endless pleasure!

My mind is free
I found a hidden treasure
That makes me see
And life is endless pleasure

It's endless pleasure!
It's endless pleasure!

I'm rolling, I'm reeling
Scratch 'till my skin is peeling!
Cold sweat soaks all my covers
And in my bed I'm wheeling!

I'm twisting, I'm shaking,
I feel my soul is breaking!
I'm tossing and I'm turning
But still my mind keeps yearning!

I owe this shot
Powers beyond all measure
Fell like a God
My life is endless pleasure

It's endless pleasure!
It's endless pleasure!

I'm screaming, I'm crying!
My body's slowly dying!
And as my heart stops beating
Breath ceases with a sighing!

It's endless pleasure!
It's endless pleasure!

I'm safe and warm
This cold, cruel world around me
Can't do me harm
Now life is endless pleasure

It's endless pleasure!
It's endless pleasure!
