

## Flirtin' With Desaster

Tankard

Flirtin' with desaster, Flirtin', butt mayonaise  
Flirtin' with desaster, Flirtin', it seems it's not my day  
Flirtin' with desaster, Flirtin', I passed some glass  
Flirtin' with desaster, Flirtin', and blue chunks out my ass  
I drank lots of apple wine last night  
And now my bowels, they don't feel so right  
Wet fart! Something don't feel right  
Wet fart! Soiled my pants tonight

Flirtin' with desaster, Flirtin', butt mayonaise  
Flirtin' with desaster, Flirtin', it seems it's not my day  
Flirtin' with desaster, Flirtin', I passed some glass  
Flirtin' with desaster, Flirtin', and blue chunks out my ass

Lack of control, what else can I say?  
My rectal dribble leaves a spot that stays  
Wet fart! No reason or rhyme  
Wet fart! Dinglberry time

Flirtin' with desaster, Flirtin', butt mayonaise  
Flirtin' with desaster, Flirtin', it seems it's not my day  
Flirtin' with desaster, Flirtin', I passed some glass  
Flirtin' with desaster, Flirtin', and blue chunks out my ass

Flirtin' with desaster, Flirtin', butt mayonaise  
Flirtin' with desaster, Flirtin', it seems it's not my day  
Flirtin' with desaster, Flirtin', I passed some glass  
Flirtin' with desaster, Flirtin', and blue chunks out my ass

Now I lessen for you all to hear  
Don't trust that feeling knocking at your rear  
Wet fart! I'm not that perplexed  
Wet fart! You just might be next

Flirtin' with desaster, Flirtin', butt mayonaise  
Flirtin' with desaster, Flirtin', it seems it's not my day  
Flirtin' with desaster, Flirtin', I passed some glass  
Flirtin' with desaster, Flirtin', and blue chunks out my ass  
Flirtin' with desaster, Flirtin', butt mayonaise  
Flirtin' with desaster, Flirtin', it seems it's not my day  
Flirtin' with desaster, Flirtin', I passed some glass  
Flirtin' with desaster, Flirtin', and blue chunks out my ass
