

# Rapid Fire (A Tyrant's Elegy)

Tankard

I'm a dictator of the old school  
I love my power and I love to rule  
Just like my father I play the game  
Of sheer oppression and rising my fame

Lately protesters  
Brought riots to my streets  
Demanding free elections  
For rights and truth a warranty  
Traitors! Deserters!  
Who do they think they are?  
I'll send them army forces  
Because I am the only law!  
The only law!  
The law!  
The only law!

God bless my glorious nation  
(Glorious nation)  
God bless especially me

So what? So what?  
I'm addicted to dictate  
Reforms you will never see  
(You will never see)

Rapid Fire!  
Shoot the liars!  
Rapid Fire!  
Send them to hell!  
Rapid Fire!  
Tanks and snipers!  
Rapid Fire!  
Rapid Fire! Shoot the liars!

Torture? And prison?  
All propaganda lies!  
To harm my reputation  
In overseas I have my spies  
UNO embargo?  
I piss on politics!  
I piss on all those sanctions  
They'll get to know my dirty tricks!  
My dirty tricks!  
My tricks!  
My dirty tricks!

God bless my glorious nation  
(Glorious nation)  
God bless especially me

So what? So what?  
I'm addicted to dictate  
Reforms you will never see  
(You will never see)

Rapid Fire!

Shoot the liars!  
Rapid Fire!  
Send them to hell!  
Rapid Fire!  
Tanks and snipers!  
Rapid Fire!
