

The Party Ain't Over 'til We Say So

Tankard

"Rock 'n' Rollers in wheelchairs"
That's what the headlines say
"Old geezers retire!"
Fuck off! We're here to stay!

Fuck off! We're here to stay!
Even dead we'd want to play!

No! No cause to quit!
We're kickin' butt! Butt kickin' lot!

The party ain't over 'til we say so
The party ain't over, the party ain't over
The party isn't over 'til we say so
It isn't over no!
The party ain't over 'til we say so
The party ain't over, the party ain't over
The party isn't over 'til we say so
That's what we're gonna show!

All you killjoys and moaners
We're back with amps to blast!
Bring your bottles to safety
Cause boozing is our task!

Cause boozing is our task!
Even dead we'd drink with class

Fight! It's time to fight!
Fight for your right! It's time to fight!

The party ain't over 'til we say so
The party ain't over, the party ain't over
The party isn't over 'til we say so
It isn't over no!
The party ain't over 'til we say so
The party ain't over, the party ain't over
The party isn't over 'til we say so
That's what we're gonna show!

We'll keep banging 'til the nurse comes
That's what we know for sure
Like The Stones of thrash metal
Remaining loud and pure

Remaining loud and pure!
Even dead we'd go on tour!

No! No cause to quit!
We're kickin' butt! Butt kickin' lot!

The party ain't over 'til we say so
The party ain't over, the party ain't over
The party isn't over 'til we say so
It isn't over no!
The party ain't over 'til we say so
The party ain't over, the party ain't over

The party isn't over 'til we say so
That's what we're gonna show!
It isn't over no!
That's what we're gonna show!
It isn't over no!
'til we say so!
It isn't over no!
