

The Prisoner

Tankard

I'm on the run, I kill to eat
I'm starving now, I'm feeling dead on my feet
Going all the way, I'm nature's beast
Do what I want, I'll do as I please

Run! Fight! To breathe! It's tough!
Now you see me (haha!) Now you don't
Break the walls, I'm coming out

Not a prisoner I'm a free man,
And my blood is my own now
Don't care, where the past was,
I know where I'm going...Out!

If you kill me, it's self-defense,
If I kill you, then I call it vengeance
Spit in your eye, I will defy,
you'll be afraid when I call out your name

Run! Fight! To breathe! It's gonna be tough!
Now you see me, and now you don't
Break the walls, I'm coming out

Not a prisoner, I'm a free man,
And my blood is my own now
Don't care, where the past was,
I know where I'm going

I'm not a number, I'm a free man,
Live my life where I want to
You'd better scratch me from your black book,
'cause I'll run rings around you

Not a prisoner, I'm a free man,
And my blood is my own now
Don't care where the past was,
I know where I'm going

I'm not a number, I'm a free man,
Live my life where I want to
You'd better scratch me from your black book,
'cause I'll run rings around you

Not a prisoner, I'm a free man,
And my blood is my own now
Don't care where the past was,
I know where I'm going
