## **Traitor**

Tankard

Death! Kill! blood will flow From the ones who play for money Sold! Out! It's time to pay You're gonna die no other way

Blind! Wake up man you've got to hits Change! Now it's time to end this shit

Make! Way! The time's at hand To ride the world of milk metal bands Slow! Death! The only way A fitting end to their treacherous game

Traitor Traitor Traitor - a sonic betrayal Traitor - it seems you've faked

You! Think! The world adores you With your make up and silken pants Wake! Up! You've had a nightmare Your record didn't sell so well

Blind! Wake up man you've got to hits Change! Now it's time to end this shit

What's! This? Demand declining No more money in your pocket book What! Now! Looks like it's over Gonna throw your lipstick away

Traitor Traitor Traitor - a sonic betrayal Traitor - it seems you've faked

You sold your soul to money Thrash! Is what we'll play The age of truth upon us Beer! is what we need We've got no pity for ya Trash! Is what we'll play Now death's your final payment Mosh! It's up to you

Traitor. Liar! Loser!
