

Witchhunt 2.0

Tankard

I pull the knot and the rope around my neck
I feel the sweat that is running down my back
Is this the way how my life is gonna end?
A tragedy caused by them, my so-called friends

I once was a person
Much-loved and esteemed
But then I was slandered
Disgraced downright mean

Somebody clamed "He's a pervert!" on the blog
Soon others wrote "He likes young boys and long cocks!"
The message board put me in the pillory
Lies over lies from the net-community

Witch-hunt 2.0
The web's a battlefield
Witch-hunt 2.0
A game with no rules
Witch-hunt 2.0
No liability
Witch-hunt 2.0
Anonymous, cruel

No tolerance for cyber-bullying
To ruin a reputation's no fun at all
You, you and you! Keep up the fighting!
Go fight the defamation or fairness fall

I live my life, left the misery behind
My strenght has grown, I'm no more a MySpace-Clown
A smear campaign isn't worth a suicide
Those backers cry, cause the law has track them down

I once was a person
Much-loved and esteemed
But then I was slandered
Disgraced downright mean

I pull the knot and the rope around my neck
I feel the sweat that is running down my back
Is this the way how my life is gonna end?
A tragedy caused by them, my so-called friends
