

## Wonderful Life

Tankard

Every day my life is getting worse  
I'm so sick of it all  
When I see myself I have to puke  
All my mirrors are full

Stupid, ugly, fat as a pig  
That's what I am - disgrace  
No one likes me, not even me  
I'm worse than slime - no good

Life sucks - everything is just a bloody mess  
Life sucks - and I believe that it's getting worse

Mouldy sausage, maggoty bread  
Is all I eat - green meat  
Herpes, V.D., loosing my teeth  
And all my hair - despair

Life sucks - everything is just a bloody mess  
Life sucks - and I believe that it's getting worse

I'm just gonna stay here in my bed  
Pray to god that I die  
I don't ever want to live again  
It's a horrible trip

Life sucks - everything is just a bloody mess  
Life sucks - and it's getting worse
