

Desert Me

Tantric

My patience has run thin
No longer tolerant
Tired of being used
By everyone of you

Tell me another lie
So you can feel the pain inside

Well Its time for me to do it to you
What you have always done to me
Desert me, you all desert me
Desert me, you wont desert me anymore

What do you have to say for yourself
Now you're alone theres noone else
Do you look back onto your life
Wishing there was another time

Tell me another lie
So you can feel the pain inside

Well Its time for me to do it to you
What you have always done to me
Desert me, you all desert me
Desert me, you wont desert me anymore

Don't move away from me
Im not feeling your tears
And if you should go away
You wont have the strength to stay away

Well Its time for me to do it to you
What you have always done to me
Desert me, you all desert me
Desert me, you wont desert me anymore
