

## Desert Me

Tantric

My patience has run thin  
No longer tolerant  
Tired of being used  
By everyone of you

Tell me another lie  
So you can feel the pain inside

Well Its time for me to do it to you  
What you have always done to me  
Desert me, you all desert me  
Desert me, you wont desert me anymore

What do you have to say for yourself  
Now you're alone theres noone else  
Do you look back onto your life  
Wishing there was another time

Tell me another lie  
So you can feel the pain inside

Well Its time for me to do it to you  
What you have always done to me  
Desert me, you all desert me  
Desert me, you wont desert me anymore

Don't move away from me  
Im not feeling your tears  
And if you should go away  
You wont have the strength to stay away

Well Its time for me to do it to you  
What you have always done to me  
Desert me, you all desert me  
Desert me, you wont desert me anymore
