

# Love Song

Tantric

So here you are you're knockin' at my door with saddened eyes  
The color is the same but there's a change  
The difference is between the little lies I've told  
To keep the peace. The love was still the same

Oh it's better in life to lose a minute  
Then have to go through life and really never get to live it  
Your primrose path is just an illusion  
I'm sick of all your dirty lies that caused this confusion

I never wanna hear another love song  
It's all all bunch of lies and I've been put on  
I know its like I'm bitter, I don't give a shit  
I hope you're really happy and you choke on it  
I never wanna hear another love poem  
Proclaiming all your love in truth there was none  
I know it's like I'm bitter, I dont give a shit  
I hope you're really happy and you choke on it

God forgive me for these random things  
The little things I do, it's really not my truth  
Everything is overwhelming me, constantly disturbing me  
'Til I get away from you

It's better in life to lose a minute  
Then have to go through life and really never get to live it

I never wanna hear another love song  
It's all all bunch of lies and I've been put on  
I know its like I'm bitter, I don't give a shit  
I hope you're really happy and you choke on it  
I never wanna hear another love poem  
Proclaiming all your love in truth there was none  
I know it's like I'm bitter, I don't give a shit  
I hope you're really happy and you choke on it

And I smile as you listen and you're thinking to yourself  
You're the reason why you're living in this hell

I never wanna hear another love song  
It's all all bunch of lies and I've been put on  
I know its like I'm bitter, I don't give a shit  
I hope you're really happy and you choke on it  
I never wanna hear another love poem  
Proclaiming all your love in truth there was none  
I know it's like I'm bitter, I don't give a shit  
I hope you're really happy and you choke on it

I never wanna hear another love song  
It's all all bunch of lies and I've been put on  
I know its like I'm bitter, I don't give a shit  
I hope you're really happy and you choke on it  
I never wanna hear another love poem  
Proclaiming all your love in truth there was none  
I know it's like I'm bitter, I don't give a shit  
I hope you're really happy and you choke on it  
On it

On it  
On it, on it, on it  
I hope you choke on it
